- Map overall resource management requirements for the year. As part of this resolve:
 - clashes/ problems over the timing or operation of controlled assessments;
 - issues arising from the need for particular facilities (rooms, IT networks, time out of school etc.)
- Ensure that all staff involved have a calendar of events.
- Head of School and teachers decide on the awarding body and specification for a particular GCSE.
- Supply to the Exams Officer details of all unit codes for controlled assessments.
- Standardise internally the marking of all teachers involved in assessing an internally assessed component.
- Ensure that individual teachers understand their responsibilities with regard to controlled assessment.
- Ensure that individual teachers understand the requirements of the awarding body's specification and are familiar with the relevant teachers' notes, and any other subject specific instructions.
- Where appropriate, develop new assessment tasks or contextualise sample awarding body assessment tasks to meet local circumstances, in line with awarding body specifications and control requirements.

Teaching Staff

- Understand and comply with the general guidelines contained in the JCQ publication Instructions for conducting controlled assessments.
- Understand and comply with the awarding body specification for conducting controlled assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website.
- Obtain confidential materials/tasks set by awarding bodies in sufficient time to prepare for the assessment(s) and ensure that such materials are stored securely at all times.
- Supervise assessments (at the specified level of control). Undertake the tasks required under the regulations, only permitting assistance to students as the specification allows.
- Ensure that pupils and supervising teachers sign authentication forms on completion of an assessment.
- Mark internally assessed components using the mark schemes provided by the awarding body. Submit marks through the exams office to the awarding body when required, keeping a record of the marks awarded.
- Retain candidates' work securely between assessment sessions (if more than one). Post-completion, retain candidates' work securely until the closing date for enquiries about results. In the event that an enquiry is submitted, retain candidates' work securely until the outcome of the enquiry and any subsequent appeal has been conveyed to the centre.
- Ask the appropriate special educational needs coordinator (for any assistance required for the administration and management of access arrangements).
